The Division of Oil, Gas and Mining ("the Division") by and through its counsel, moves the Board of Oil, Gas and Mining (the "Board") pursuant to *Utah Admin. Code* R641-100-300 for a continuance of the October 22, 1997 hearing on Docket No. 97-017 to December 10, 1997. This will allow the Division to consolidate, if necessary, Docket No. 97-017 with any willful violation which may result from non-compliance with the order issued by the Board in Docket No. 97-016. None of the parties will be prejudiced by granting of a continuance. In fact, the continuance will avoid the necessity of multiple hearings on related subject matter. The granting of a continuance is in the best interest of all parties.

DATED this 2nd day of October, 1997.
